1. Guidelines for Approving and Amending the Charter

Department Charters will be reviewed each spring semester, with revisions approved no later than October 15 in order to be provided to the Faculty Senate for public posting and inclusion in an Appendix of the College Plan. Revisions will include updates based on Faculty Agreement and College Plan changes, although a Chair may revise a specific section of the document to comply with District and College policies at any time. If a Charter is in conflict with the Faculty Agreement and/or College Plan, the Faculty Agreement and College Plan shall take precedence.

The department will offer an open comment period of no less than two weeks for all Residential and Adjunct faculty who teach within a department to suggest Charter revisions and no less than one week to provide feedback on suggested revisions. The Chair may designate one or more Residential faculty to manage the revision process. Following the open comment period, the Chair or Designee will moderate a conversation with all voting members, followed by a vote on the revisions with ²/₃ majority required for approval. Voting members include Residential faculty members holding 51% or more of their designation within the department. The Chair votes as a regular voting member of the department. At the request of any voting member, the vote will be held by secret ballot, ensuring anonymity. Voting members who are unable to attend in person due to travel, sickness, or other leave will have the opportunity to vote.

2. Process of Identifying, Selecting, Delegating, and Compensating Department/Division Supervisor Roles

Every academic year, the Chair may delegate responsibilities and leadership roles in a manner consistent with the Faculty Agreement and the College Plan, and based on individual faculty member's expertise, current need, and faculty interest. The Chair assigns workload, including, but not limited to, the assignment of teaching responsibilities, supervisory duties, and summer supervision. The Chair distributes responsibilities in consultation with individual Residential and Adjunct faculty members each semester in accordance with the mission and priorities of the College, the goals of the Department, and the Department's supervisory budget. Department roles may be reassigned by the department chair every academic year or as necessary to support the department's needs. Individuals serving in a compensated role will be offered feedback.

The Chair will decide dispensation of supervisory compensation in conversation with faculty receiving supervisory pay after the annual supervisory budget is received and College decisions have been finalized.

3. Process for Shared Academic Freedom Decision-Making

All faculty in the department are experts within their disciplines and are thus responsible for selecting textbooks and other instructional materials for their courses based on quality, cost-effectiveness, and the best interests of their students.

As noted in RFA 3.1, in a multisection course taught by several faculty members, responsibility is shared among the instructors for identifying common course elements including (but not limited to) textbooks, syllabus statements, assessments, and Canvas modules. This shared academic freedom supersedes the academic freedom rights of individual faculty members and should be to the benefit of students who may change sections, instructors, etc.

Decisions regarding common instructional elements should be reevaluated regularly by appropriate faculty. At a minimum, this should be done at least once every three years.

4. Teaching and Non-Teaching Assignments

Course assignments are made by the Chair, Program Director, or Designee consistent with the mission, priorities, and instructional needs of the Department and the College in a manner that is efficient and fair. The Chair/Program Director/Designee determines the class meet times/schedule/modality and, in consultation with each faculty member, determines the course load distribution for each faculty member consistent with faculty teaching loads and expertise and based on current need. If course assignments and load distributions are designed by a Program Director or Designee, the Chair retains the authority to make changes to address departmental needs. All department faculty are required to have completed "Canvas Basics" and "Canvas Assessments" in order to teach in the department. Additionally, all eCourse faculty (online, hybrid, etc.) are required to complete "Strategies for Effectively Teaching Online" in order to teach any department eCourse.

5. Department/Division Meeting Schedule

The Chair will schedule Department meetings to include Residential Faculty, Adjunct Faculty, and staff, at various times during the year, depending on the volume of business to be conducted but, at minimum, at least two times a semester. The schedule for regular meetings will be announced at the beginning of each fall and spring semester. The Chair shall prepare and distribute a tentative agenda prior to the meeting with sufficient time for Department Residential and Adjunct Faculty and staff members to request that items be included on the meeting agenda.

6. Expectations of Department/Division Faculty

Department faculty are expected to meet their professional and institutional commitments at the College and within the Department. Faculty should familiarize themselves with the Faculty Agreement, the College Plan, and the Department Charter to ensure compliance with all policies

and procedures. Faculty should be active participants as committee members, student advocates, or in whatever other capacity they can render the best service in the affairs of the Department, the College, and the District. Faculty are expected to support the educational mission of the college by engaging in the student learning assessment process for the purpose of continuous improvement.

7. Adjunct Rights and Support

7.1 Process for Assignment of Department/Division Adjunct Faculty Members

Fluctuations in enrollment can create unanticipated staffing needs. In as much as possible, the Chair will notify Adjunct Faculty of reappointment or non-reappointment, with as much advance notice as possible, so that Adjunct Faculty are able to anticipate how many sections of a given course will need to be staffed. It is understood by all Department faculty that enrollment and College budgetary needs may impact the timeliness of reappointment notification.

7.2 Adjunct Support

The Department is committed to adhering to the Adjunct Faculty rights outlined in the Faculty Agreement. The Department recognizes that Adjunct Faculty are an integral part of the Department whose voice is important in the consideration of Department goals, textbook selection, and course scheduling for those courses that Adjunct Faculty teach. The Department is committed to providing tools and resources to support Adjunct Faculty retention and success in the classroom.

8. College-Specific Requirements from the College Plan

The English, Reading, ESL, Journalism, and Creative Writing Department Charter aligns with the college plan.
